

# Organic products from Spain

Good for Nature, good for you, because they require

## High level of demanding in:

- PRODUCTION METHOD
- QUALITY
- ASSURANCE
- ENVIRONMENTALLY FRIENDLY
- BIODIVERSITY
- ANIMAL WELFARE

Do you know which is the country with the largest organic area in the EU and the fourth in the world with more than two million hectare (almost five million acres)...

... with a processing industry continuously growing which is made up by innovation and tradition...

... with a great variety of food offer throughout the whole territory?

We are going to explain it to you...

**BIO  
ECO ORGANIC**
